

# HARDWIRE

## Hardwire Whiteboard and Emergency Response Shields

### Key Features

- Works in conjunction with DHS "Run, Hide, Fight".
- Provides NIJ Level 3A & 3 protection (handgun shotgun, and/or assault rifle fire).
- Easy to hold, hang, or carry.
- Blends in with everyday environments or designed to look like a safety device.
- Engineered with the world's strongest materials.
- Designed using technology developed for the U.S. military.
- 2.5 times more surface area than a police body armor plate.
- Lightweight.
- Dissipates impact energy quickly and efficiently.
- Absorbs shock and catches the bullet.
- Includes a wall mount for easy hanging and a stand.

Protection Level	Size	Weight	Thickness
NIJ Level 3A	18" x 20" x 0.25"	3.7 lbs	0.25"
NIJ Level 3	18" x 20" x 1"	10.6 lbs	1"
